PASJ is pleased to offer a free seminar for the new and/or inexperienced shooter. An INTRODUCTION to GUNS and SHOOTING will guide new shooters through a myriad of topics in an easy to follow non-technical approach to the shooting hobby. There will be no shooting at the seminar but the attendees will leave with a working understanding of gun types, ammunition, SAFETY, shooting fundamentals, and cleaning. The seminar should last approximately 1 - 1 1/2 hours dependent upon attendee participation and questions.

Please call the above number and leave a message if you are interested in attending. You can also email your interest to questions@pasnj.com.
